

How to donate: Clothing and textiles

Initial Check:

- *We accept clothing for babies and children aged 0-11 years
- *Items must be in excellent condition (no stains, rips, fading, bobbled fabric)
- *We cannot accept items with 'Mum, Dad, brother etc on them'

Safety Check:

- *Ensure all buttons and poppers are securely attached

Before Donating:

To help our small team of volunteers get items to families quickly, we would really appreciate if you could...

- *Wash any fabric items in the washing machine
- *Wipe down any items that are not machine washable
- *Fasten and buttons or poppers
- *If donating multiple clothing items it is helpful if they are labelled by age and gender

If your item meets these guidelines, please let us know and a volunteer will send you drop off details. Your donation will make a real difference to the life of a family in need

Please only donate items that you would be proud to give a close friend or family member. Thank you
